Boers Get the Whitewash From the Japs—Dragonlets Were Outclassed.

YESTERDAY'S RESULTS.

Japs, 7; Boers, 0.
Marines, 12; C. A. C., 3.

There were two not very exciting games at the Athletic Park yesterday afternoon. The feature of the afternoon was the excellent playing by the Marines. They played together in great shape and handed a large bunch to the Dragonlets.

There was not nearly such a large crowd as usual and the teams seem to be losing that keen vim which was such a feature of the first series. But this is doubtless a mere temporary lapse and next Sunday they will probably be out with their old form again.

So far as the grandstand was concerned, the same old enthusiastic faces were there. These same faces were not so wide a smile as usual on account of the lackadaisical playing by some of the teams. The Boers must come under the latter head.

There was quite a difference noticed between the second games of the second series and the second games of the first series. It may be that baseball is being overdone, but there was certainly not the usual get up and get about the games that the fans have become used to at Athletic Park. Perhaps they started off with too high a standard to keep up to.

The First Game.

The Japs played a very steady game and seemed to do what they wanted with the Boers. Shepard pitched first for the Boers and was hit all over the lot. Then Kealoha took his place and did better. He fanned five men and stood for only two bingles.

The Japs scored in the first, second, third and fourth innings, one, three, two and one. After that they were held down to nothing, chiefly by the excellent pitching of Kealoha.

The official score was as follows:

Jackson; time of game, 1 hour 15 minutes.

The Second Game.

The feature of this game was the tremendous swatting by Gibson, Peyton and Davis. All these three men, as well as nearly all the other players, had springs in their bats and swatted Apau and Asam all over the place.

There was some smart fielding done by the Marines too. Peyton made a great catch in the second, by which he shut out a run. Hayes made a great running catch and Williams took hold of a ball that was a pippin. He ran towards the catcher and caught the ball before it touched the ground.

The Half-wets scored off, yea, almost when they wanted to. The Dragonlets' runs were made on bingles and untimely errors. The game was not very exciting but was interesting on account of the excellent team work put up by the Marines.

HALEIWA OPEN TOURNAMENT

A week from next Sunday there will be big golf doings at Haleiwa—an open tournament, which all golfers are invited to enter. The prizes will be worth while, and entries divided into classes, A and B.

The latest Country Club handicaps will be used. All those with handicaps of ten and less will compete for Class A prize, and those with handicaps above ten will try to capture the Class B trophy.

This will give more show all around and should result in an interesting competition. Archie Mahanui says the seaside links have never been better, and have real "greens." Most of the town golfers are from Missouri and will go down to see.

WILDER EWART TEAM IS WINNER

H. A. Wilder and A. Ewart won the four-ball foursome tournament, under the auspices of the Honolulu Golf Club, at Moanalua yesterday afternoon. They defeated R. A. Jordan and D. W. Anderson in the finals by two up and one to play.

The official results were as follows: First Round—J. Evans and C.

There were two really great games at the Athletic Park yesterday morning when the Oahu Juniors sported themselves on the diamond. KEWALOS BEAT THE EHEU KIDS

In the game of baseball played at Aala Park yesterday afternoon, between the Aalas, champions of the first series, and the Kewalos, champions of the second series of the Riverside Baseball League for 1909, the latter team defeated the former by the score of 5 to 1.

This was the first game played in the series of best two out of three for the championship. The second game will be played next Sunday and, if the Kewalos should win the game they will be the champions of the Riverside Baseball League for 1909.

The feature of the game was the pitching done by M. R. Freitas. He held the Aalas down to a few scattered bingles and the one run scored by them was not by any means due to the pitcher of the winning team, but to a very untimely error. Freitas made more of a hit than ever with the large crowd of fans that collected to watch the game.
